

MSG Meeting Nov

OME–

Questions:

Grant - Are exams scores below 65% included in the exam average calculation?

Vanessa - What has OME helped with for Match Day planning before?

Ashley- graduation. Do med students need to go and why considering those outside of MCV are not required to attend?

AAMC specific questions:

- general history of the position
- what roles did the position hold outside of attending the annual meeting?
- any additional responsibilities you'd like the student to be involved in?
 - participation in regional and national meeting and reporting back to MSG and OME.
 - regional meeting April 2025, recruit January ideally
 - Sriya: possible elect earlier this year so could fit perfectly
- what's OMEs vision of a good candidate for this position?

Ideally within MSG considering a lot of the goals are aligned with student body and curriculum. Not all 4 to go annual meeting but

Goal: determine structure of the 4 positions in December and then recruit and elect January to attend meeting April

Noel Cortez - VCU Visionaries

Commented [1]: I have already asked these questions, and have had them answered. Please feel free to ask me, Gael, or anyone on the Match/Grad planning subcommittee for clarification of any questions regarding Match/Grad.

Commented [2]: Christine will speak on this in class of 2025 updates

MSG Updates

- Class Updates
 - i. Class of 2025 - Doing well. Match day planning underway.
 - ii. Class of 2026 - Barrelling through rotations, starting to think about VSLO/Step 2/M4 transitions. Will work with Christine off-line to set up informational sessions about them. Getting rotation schedules to people a week in advance continues to be a problem.
 - iii. Class of 2027 - Finished Neuro 1 and ready for Thanksgiving break.
 - 1. MSG will check in with PALs to see if they're still going to do Step 1 support
 - 2. Using peer advocates
 - iv. Class of 2028 - I&I wrapped, FOD starting well, people are stressing about OSCEs and Pop Health exam. Our fridge on 5th is out for repair with no completion date. We are super pumped for Thanksgiving break as well. Pop Health Concerns?
 - 1. Pop Health concerns being based in disorganization and lots of mistakes
 - a. Divya: possibly set up a separate meeting with Dr. Cassel (sp?), Megan Donahue, Stephanie Bissonnette
