

MSG Meeting
October 22, 2024

OME–

Questions:

Tickets for MedBall Plus Ones → can we use MSG Treasurers Venmo and then transfer the funds? Or if OME has a way to connect ticket sales? This is in effort to overcome the deficit from an earlier social event. Rams Connect? Eventbrite?

MSG Updates

- Class Updates
 - i. Class of 2025 - Doing well :) Interview season
 - ii. Class of 2026 - Still chugging through clinicals. Starting to think about M4 year and Step 2
 - iii. Class of 2027 - Renal is fun but brutal – we're getting through it. (Exam is next Monday.) Worked with OME and we managed to plan a day off for the class after the exam! > Reaching out to class of 2025 president
 - iv. Class of 2028 - (note from Grant. Drowning in I&I currently. Sorry to miss this!). We worked with OME to get Thursday, January 2nd to not have any mandatory sessions for M1s or M2s to give folks a safety net in case flying back on the 1st goes wrong. We had our first official class officers meeting which went great. We have a Facebook group going for new admits for next year's students (wow how time flies). Our class has been awfully chatty in mandatory lectures recently, so I gave a speech to the class encouraging folks to be professional and respectful. We are working on getting our class account going with non-profit status and we have a few fundraising ideas in the works.
