Concerns

Concern about PPS curriculum

- Material taught in PPS could very well be tested on Boards
- Curriculum office is considering instituting online modules for some areas of the longitudinal curriculum
- Patient panels are very difficult to arrange, but try to do as many as possible

Updates from Dr. D

- Yearly internal surveys to each class will be sent out soon
 - Questions about learning climate, faculty presentations, mistreatment, etc.
 - Appreciate a high response rate to the surveys - give us areas to improve upon, also some answers need to be reported to LCME
- AAMC started collecting the Y2 survey (for M2 class) - ends in January, very important to fill out - gives information about where we stand compared to other medical schools nationally
- ALL surveys are totally anonymous

Class of 2022

- Class trip to Kings Dominion next week
- Post-phys party went very well
- Friday at 2:30 in the learning studios - Dr. Woleben and Deiorio will discuss planning for summer between M1/M2
 - Summer research fellowships, international service trips, etc.
 - It will be recorded
- Many intramural sports within the M1 class to be involved in

Class of 2021 Updates

- Bake sale this past week
- Open mic night last week at on the rocks - able to get 20% of the proceeds at this location - very talented group!

Class of 2020 Updates

- Advisor assignments will take place in November (if you're ready!) - if not ready at that time, meet with Dr. Deiorio or Dr. Woleben who can help you!
 - Dr. Deiorio and Dr. Woleben are meeting on October 31st with faculty advisors who are able to attend training session for 4th year planning

Class of 2019 Updates

- Interviews are coming in
- Some still doing aways

- Dr. Woleben
 - Overall, people are on target; will reach out to those who are not on target to help them with next steps
 - Another MAP survey coming out next week with additional tips on what to do
 - Top 5 specialities (most applications nationally) - IM, Peds, Fam, Anesthesia, Psych

Student- Faculty Volleyball Game - 10/27

Admissions - 2-3 months into admission cycle

- Have until March for interviews
- First Campus Visit tomorrow (open house)
- Overall things are going well

Dean Buckley

- Dept of Medicine chair search
 - 2 cycles of candidates have come through - 3 candidates (all female) in the 2nd cycle
 - Opportunity to address male-female imbalance in our institution
 - Currently 3 candidates still being interviewed
- Dr. Silverman stepping down from his role as Chair of Psychiatry
 - National search for new Chair
 - Also had 2 external Psychiatrists examine the department as a whole (external reviews)
 - Also have search firm to launch the official search at the end of this month
- Continuing search for Senior Associate Dean for Faculty Affairs
- Upcoming alumni and donor events - Williamsburg, Roanoke, Tidewater, AAMC meeting in Austin, TX (October and November)

Other Updates

- Town Hall for 4th years students on 10/31 - will be broadcasted live for those who cannot attend
 - Dean Buckley to attend
- 10/29 - Dr. Sally Santon and Dr. D will be making an announcement about new program to M2 class - "Graduate when Ready"
 - Will schedule another session in November who are interested in the program to ask questions and receive more information
- Curriculum Officer remains short staffed so please be patient and mindful of this
- PCM and US also understaffed (same as above)
 - Currently searching for people to fill these positions
 - Continue to go to PCM office for PCM concerns (not Curriculum Office)
